1. [REDACTED] -- I advised Walt that the Office of Finance had sent a memorandum to the DD/M&S regarding ^{retaining} returning [REDACTED] as a Class A station on the basis of cost benefit and effectiveness factors. I also acknowledged that the European Division had forwarded a memorandum to the DD/M&S indicating that they were in disagreement with the Office of Finance position. I told him that this matter would not be resolved until such time as Mr. Brownman returned from his TDY. I indicated that if Mr. Brownman should decide in favor of the (over [REDACTED])

him could perform the full Class A duties including audit of accountings and perhaps certification of travel. In addition, I suggested that the Office of Finance would probably be willing to provide limited certifying authority to the number 2 man as this would obviously help out the station during periods of leave, travel, and so forth.
